## June in Review

**FUN & REFLECTION:** Our month started with an educational session learning about the history of the long horn cattle with the help of Jimmy Stewart and Maureen O'Hara. There was the history, lunch and a discussion time followed.

**FATHER JUSTIN HOYE:** Congratulations to Father Justin. He is now serving as an assistant at St. Therese in Parkville, MO.

**NEW DINNER THEATRE:** A great evening, wonderful seats, unbelievable cuisine, and Neil Simon at his best.

**UNION STATION:** We had a great day reminiscing about the history of trains and the Union Station. There was also a wonderful exhibit from the Smithsonian on the First Ladies. The lunch of baked chicken was scrumptious.

## UPCOMING EVENTS IN JULY

**FOURTH OF JULY:** Have a safe holiday. Enjoy the day with all of its great picnics, family gatherings and fireworks.

**FUN & REFLECTION:** Once again we will have a time to learn, converse and share lunch. Join us on Wednesday, July 5th at 11:00am.

**ST MARK'S:** On Thursday, July 20th we will leave St. Sabina's at 9:00am and proceed to St. Mark's church in Independence. We will be given a tour by one of the staff members of St. Mark's. The church is just a little over one year old and I have been told the church is magnificent. When we have completed our tour of St. Mark's, we will continue on to the Country Meadows Antique Mall and have lunch in their Garden Café. Lunch will be Hearty Chicken Salad served

with a muffin. Their will be tea and coffee and a dessert tray.

When lunch is over we will then go to the Puppetry Arts Institute in Independence. There we will tour the museum and see various demonstrations. There is also a video about Hazelle Rollins who had the largest Puppet Factory in the World in Kansas City. The Institute and the Puppet Factory have both been written up in the Kansas City Star in recent months.

Cost for the entire day is \$35.00. I must know as soon as possible how many will be coming with me. Once again I must have at least 20 by the 6th of July.

**August 17 DAY TRIP “HOW WELL DO YOU KNOW THE AREA?”** This trip has now been changed to our August date. I still hope to take the train ride and possibly have a box lunch on the train that day, see our museum and do some inside tours since it will probably be warm. Our lunch plans may change depending on the weather. Just keep the date in mind, more information later.

### ***LAST LAUGH***

A driver did the right thing, stopping at the crosswalk even though he could have beaten the red light by accelerating through the intersection.

The tailgating woman behind him went ballistic, pounding on her horn and screaming in frustration as she missed her chance to drive through the intersection with him. Still in mid-rant, she heard a tap on her window and looked up into the face of a very serious police officer. The officer ordered her to exit her car with her hands up. He took her to the police station where she was searched, fingerprinted, photographed, and placed in a cell.

After a couple of hours, a policeman approached the cell and opened the door. She was escorted back to the booking desk where the arresting officer was waiting with her personal effects. He said, "I'm awfully sorry for this mistake. You see, I pulled up behind your car while you were blowing your horn, flipping the guy off in front of you, and cussing a blue streak at him. I noticed the 'Choose Life' license plate holder, the 'What Would Jesus Do' bumper sticker, the 'Follow Me to Sunday School' bumper sticker, and the chrome-plated Christian fish emblem on the trunk."

"Naturally, I assumed you had stolen the car!"

Ann and Bob Cummings, Ed Kowalczyk, and Helen Barberis enjoyed seeing the inside of an antique club car.

Dick Bell looks right at home in front of a railroad crossing sign.

Above: We enjoyed a delicious lunch at Under the Clock in Union Station. We all enjoyed the day at Union Station!
